## GIVING VOICE TO CANADIANS THROUGH ARTS, PASSION, AND WONDER

### About Us:

The Ross Creek Centre for the Arts is a unique institution in Canada, bringing together the best in arts education for youth with community and professional artist programs. The Ross Creek Centre for the Arts is a research and development centre for the arts of all disciplines and cultures, and is proud to help facilitate the development of new art from around the world in wonderful facilities on a spectacular farm in rural Nova Scotia. We are a non-profit association and rely on donations, earned revenue and public investment. We are proud to help facilitate the development of new art from down the road and around the world in a spectacular setting in rural Nova Scotia.

**Two Planks and a Passion** is an award-winning professional theatre company in residence at the Ross Creek Centre for the Arts, offering exquisite outdoor productions in a spectacular setting. Our work is the result of a unique marriage between nature and the artistic imagination.

### Hiring Values:

The Ross Creek Centre for the Arts, which is grateful to be welcomed in Sipekne'katik, one of the seven regions of Mi'kma'ki, the ancestral and unceded territory of the Mi'kmaq people, is looking for innovative and creative individuals who care about arts in the community and who love rural living. The Centre is committed to creating a great team environment and is proud to be an equal opportunity employer, with a diverse workforce. All qualified applicants will receive consideration for employment without regard to race, colour, religion, gender, gender identity or expression, sexual orientation, national origin, disability, age, or veteran status, and **we strongly encourage applicants from diverse backgrounds to apply.**

### SUMMER 2022 - Gardener

Ideal for an environmental scientist or a horticulture student, the gardener works under the supervision of our environmental educator, following a plan for our large organic gardens & working in a team of staff & volunteers to grow & harvest food for our camps, & to educate youth about food security & reduction of food waste. You will keep accurate records on our digital systems & track our yields & also ensure beautification of the property for visitors. You will learn from our property manager to develop a beautiful & productive food garden, as well as best practices for pollination, etc. You will ensure that our COVID protocols & practices are adhered to, & will work with our youth leaders, volunteers, & other staff to ensure a great working environment and a great garden!

**Fields of Study:** Horticulture, Landscape Design, Arts,

**Term:** Summer 2022, as early as possible through August or longer if possible
