We have much more demand than we can meet for bursaries. What amount (if any) can you afford to contribute to the camp fees so we can spread them to as many people as possible? \$ _____.

Any special circumstances we should be aware of?

I can help keep the happiness going! I commit to doing something lovely for someone in my community as a thanks for the bursary!

You could volunteer for Ross Creek, you could shovel someone's sidewalk, bake some cookies, or anything else that makes someone's day and better our community. We ask that you send us a note letting us know if your child enjoyed the camp and how it impacted your family and if you were able to pay it forward by doing something nice for the centre or your neighbour so we can share it with the people who funded the bursaries.

Please also include:

A picture or letter from your child saying why they want to go to camp

A letter stating why you want your child to come to Ross Creek

If possible, a letter of recommendation of the child from a teacher, a friend of the family, or a community leader.
